MEMORANDUM

TO: Jewish Senior Services Community

FROM: Andrew H. Banoff
President & CEO

SUBJECT: COVID-19 Update #113

Hello all...

It has been odd with very little to write these past few weeks, but unfortunately I do need to share that we have had 4 Residents and 1 staff case this past week. Fortunately, all have had relatively mild symptoms and are all located in 1 house.

The good news for this week is that the FDA and CDC have approved the use of a 4th vaccine for the population over age 50, so we have begun the planning for this effort for our Residents. The details will follow as we hope to have this available by the middle of April. For those that want to start the process, the consent form is attached for your use.

Staff that meet the criteria (over age 50 or immunocompromised, and 4 months post-3rd vaccine) will also be eligible.

Attached please also find a flyer related to our catering for Passover – which is soon to be upon us. Please let Laurie know if we can help make your Seder memorable this year.

Stay safe and keep the faith!
Andrew
